

# **AITKEN MARINE**

INTERNATIONAL

Your Preferred Partner for Added Value Marine  
Environmental Project Solutions

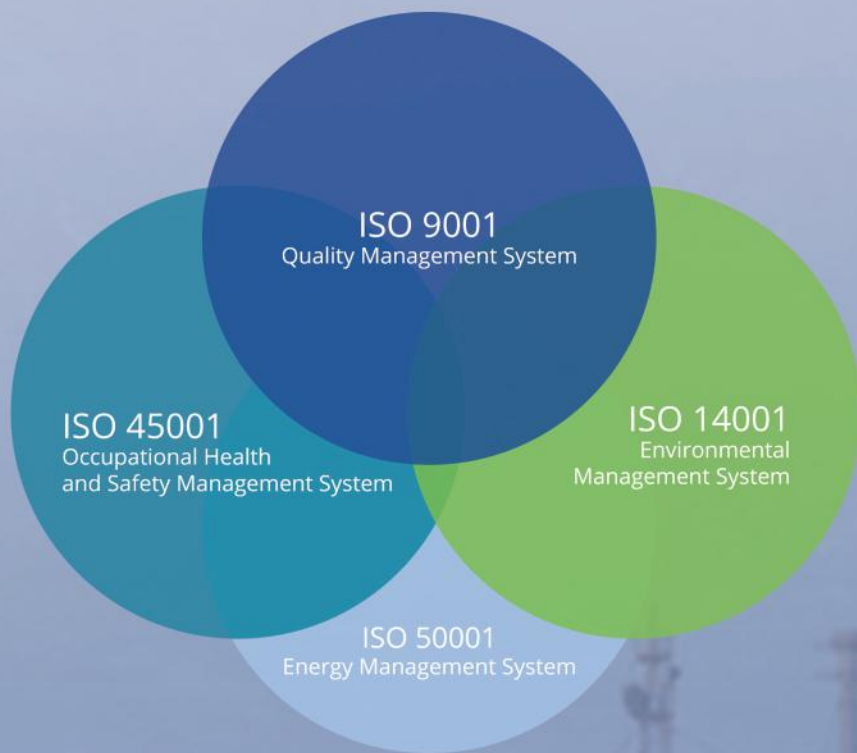

# ABOUT US

AITKEN MARINE INTERNATIONAL is a company dedicated to delivering Safe, Integrated, Marine Project Management Solutions.

With particular emphasis and focus on addressing present and future Marine market legislative requirements to the exacting satisfaction of our global customer arena. Supported by qualified management with over 35 years of industry experience, AMI utilise top class project management expertise and capability.

Our principles represent the values and philosophies that are integral to our safe and diligent way of conducting our business. We achieve this by accurately interpreting our customer's requirements and target to exceed expectations thus providing added value solutions.

## HSEQ

AMI have adopted a HSEQ Integrated Management Policy to ensure all associated Health, Safety, Environmental, and Quality risks are identified and addressed in a proactive manner and awareness is built into our culture. In order to support this ethos, AMI are have attained accredited certification to ISO 45001:2018, ISO 9001:2015, ISO 14001:2015 and are presently in the process of attaining ISO 5001:2015. AMI are also offering HSEQ third party Consultancy services, covering all of the above ISO certification requirements.

## MISSION

- To execute Marine Environmental Project Management to the Highest international standards of Health & Safety, Quality and scheduled delivery.
- Become a market leader in the supply of end to end, added value integrated marine project managed solutions.

## VISION

- We aim to become a preferred Marine Project Management partner to our customers rather than a partner of selection.
- Through our unwavering commitment to Health, Safety, Environment and Quality standards, constant innovation and respect for the marine environment, we strive to achieve our business principle goals in an acquiescent and safe fashion.
- Provide added value solutions to a more environmentally astute world.

## VALUES

- Our core values are centered around a foundation of safety and integrity.
- Personnel are the core of our business.
- Customers are our valued partners.
- We are committed to performance excellence.
